Ocean Township celebrates our Spartans, Class of 2020

Governor Murphy has announced in-person graduations will be allowed beginning the week of July 6. The OTHS and TOIS administrations along with Central Office, class advisors, and parent groups began coordinating immediately to plan a safe, socially distanced way to celebrate our graduates

on our field in Spartan Stadium. Although the Governor's announcement did not specify numbers of people allowed for outside gatherings, we are preparing for all possibilities. Mrs. Kaszuba and Mr. Amato will keep parents and students up to date as information becomes available. You can read Mrs.

Kaszuba's latest letter [HERE](#).

Prior to this announcement, the OTHS and TOIS Principals with their administrative teams had been planning virtual ceremonies, and those plans will continue. These video productions will serve as a keepsake for graduates to accom-

pany the memory and milestone of walking across Carelli Field in a formal graduation ceremony.

The first phase of celebrating our seniors was launched this past week on the OTHS front lawn. Through the hard work and coordination of our Spartan Parents President, Jenn Nordstrom, Senior Class Advisor, Mrs. Minott, the OTHS Administration, and our Director of Facilities, Mr. Bosmans, Sr. and his team, each one of our seniors is recognized and honored in this front lawn display. Take a ride down West Park Avenue day or night to see this incredible tribute.

OTHS Afterglow presents Coffeehouse 2020

In case you missed it, the Afterglow presented their spring Coffeehouse production last Wednesday night, May 27. With the help of Mr. Pullano, the Coffeehouse aired on The Spartan Update YouTube channel via YouTube Premiere. This presentation style allowed viewers to participate in a live chat when the video first aired. It created a sense of being in the audience watching the performances together. Kudos to the performers and all those behind the scenes who made this possible. Click the link below to view the

Spartans At Home

All five Ocean Schools continue to collect artifacts for "Spartans At Home: The 2020 Experience". We encourage all students to participate by submitting drawings, poems, stories, and other creative expressions. Click the link to learn more. [Spartans At Home](#)

Wayside's Wax Museum goes virtual

The Wayside Elementary School Fourth Grade would not let Remote Learning stop them from creating their annual wax museum. Due to the dedication of our teachers, the creativity of our students, and the

support from the many people behind the scenes—Mrs. McDowell, Mrs. McKenna, Ms. Palaia, parents, and others, we are proud to present to our community the Wayside School Virtual Wax Museum. Click the

links below to view this year's outstanding wax museum.
