

Township of Ocean School District

Office of the Superintendent

October 26, 2020

Dear Parents/Guardians:

This weekend we were informed that two students within the district have tested positive for Covid-19. These two cases are not related to each other in any way.

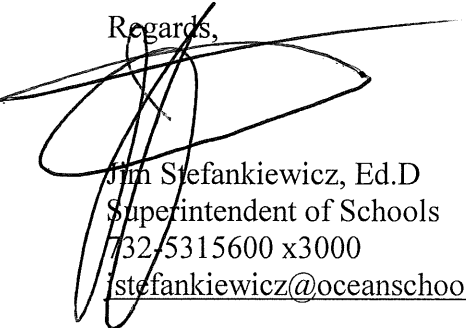

The first case involves a student at Ocean Township High School. The student was in school last Friday and participated in an extracurricular activity during the week. All individuals identified as close contacts have already been contacted and have been asked to quarantine. Peripheral contacts have also been informed. All potential exposure areas within the high school have been thoroughly cleaned.

The second case involved a student at the Intermediate School. That student has not been in school since October 15. There was no threat of exposure within the school from this case.

Ocean Township High School and the Township of Ocean Intermediate School will remain open, and will continue to follow their designated schedule.

Please feel free to contact me if you have any questions or concerns. As always, thank you for your support of our students and staff.

Regards,

Jim Stefankiewicz, Ed.D

Township of Ocean School District

Office of the Superintendent

26 de octubre de 2020

Estimados padres / tutores:

Este fin de semana se nos informó que dos estudiantes del distrito dieron positivo por Covid-19. Estos dos casos no están relacionados entre sí de ninguna manera.

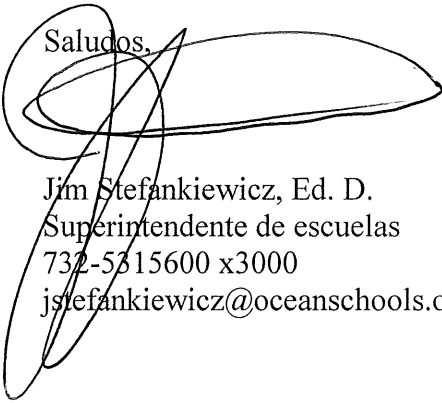

El primer caso involucra a un estudiante de Ocean Township High School. El estudiante estuvo en la escuela el viernes pasado y participó en una actividad extracurricular durante la semana. Todas las personas identificadas como contactos cercanos ya han sido contactadas y se les ha pedido que se pongan en cuarentena. También se ha informado a los contactos periféricos. Todas las áreas de exposición potencial dentro de la escuela secundaria se han limpiado a fondo.

El segundo caso involucró a un estudiante de la Escuela Intermedia. Ese estudiante no ha estado en la escuela desde el 15 de octubre. No hubo amenaza de exposición dentro de la escuela por este caso.

Ocean Township High School y la Township of Ocean Intermediate School permanecerán abiertas y seguirán su horario designado.

No dude en ponerse en contacto conmigo si tiene alguna pregunta o inquietud. Como siempre, gracias por su apoyo a nuestros estudiantes y personal.

Saludos,

Jim Stefankiewicz, Ed. D.
