Ocean Township Spartan School of Business and Finance

To prepare students for careers in business and finance by combining academic and practical experience

Why Business and Finance?

“Employment of business and financial occupations is projected to grow 7 percent from 2018 to 2028, faster than the average for all occupations. The median annual wage for business and financial occupations was \$68,350 in May 2018, which was higher than the median annual wage for all occupations of \$38,640 “
