Message from the Superintendent
Kelly E. Weldon

March 7, 2024

Dear Spartan Families,

It is my greatest hope that we are moving from winter and into spring here at the Home of the Spartans! The weather is starting to improve, and there is a flurry of activity in all of our schools. Please consider attending some of our upcoming events. There are activities for parents, students, and the whole family. We welcome you to these events, so you may see the tremendous growth and accomplishments of our students this year.

There is a complete list of events on the next slide. I hope to see you there. In addition the [2024-2025 School Calendar](#) has been approved. Please be sure to review it as you make plans for next year.

Sincerely,

Kelly Eweldon

Kelly E. Weldon
