1631. RESIDENCY REQUIREMENTS FOR PERSONS HOLDING SCHOOL DISTRICT OFFICE, EMPLOYMENT OR POSITION

Date Created: May, 2012

Date Edited: May, 2012

1631- RESIDENCY REQUIREMENTS FOR PERSONS HOLDING SCHOOL DISTRICT OFFICE, EMPLOYMENT OR POSITION

[See POLICY ALERT No. 196]

Every person holding an office, employment, or position in a school district shall have his or her principal residence in New Jersey in accordance with the provisions of N.J.S.A. 52:14-7.

For the purpose of this Policy, "school district" means any local or regional school district established pursuant to Chapter 8 or Chapter 13 of Title 18A of the New Jersey Statutes and any jointure commission, county vocational school, county special services district, educational services commission, educational research and demonstration center, environmental education center, and educational information and resource center.

For the purpose of this Policy, a person may have at most one principal residence and the State of a person's principal residence means the State where the person spends the majority of his or her nonworking time, which is most clearly the center of his or her domestic life, and which is designated as his or her legal address and legal residence for voting. Having a home in New Jersey is not significant enough by itself to meet the principal residence requirement of the law. The fact that a person is domiciled in New Jersey shall not by itself satisfy the requirement of principal residency.

A person, regardless of the office, employment, or position, who holds an office, employment, or position in the school district on September 1, 2011, but does not have his or her principal residence in New Jersey on September 1, 2011, shall not be subject to this residency requirement of N.J.S.A. 52:14-7 while the person continues to hold office, employment, or position without a break in public service of greater than seven days.

A person may request an exemption from the provisions of N.J.S.A. 52:14-7 on the basis of critical need or hardship. The request shall be made to a five-member committee established in accordance with the provisions of N.J.S.A. 52:14-7 to consider applications for such exemptions. The decision on whether to approve an application from any person shall be made by a majority vote of the members of the committee, and those voting in the affirmative shall so sign the approved application. If the committee fails to act on an application within thirty days after the receipt thereof, no exemption shall be granted and the residency requirement of N.J.S.A. 52:14-7 shall be operative.

Any person holding or attempting to hold an office, employment, or position in violation of N.J.S.A. 52:14-7 shall be considered as illegally holding or attempting to hold the office, employment, or position; however, the person shall have one year from the time of taking the office, employment, or position to satisfy the requirement of principal residency. If such person fails to satisfy the requirement of principal residency as defined in N.J.S.A. 52:14-7 after the 365-day period, that person shall be deemed unqualified for holding the office, employment, or position. The Superior Court shall, in a civil action in lieu of prerogative writ, give judgment of ouster against such person, upon the complaint of any officer or citizen

of the State, provided that any such complaint shall be brought within one year of the alleged 365-day period of failure to have his or her principal residence in this State.

Notice of the residency requirements as outlined in N.J.S.A. 52:14-7 and this Policy should be provided to all existing persons holding office, employment, or a position in the school district and to candidates seeking to hold office, employment, or a position in the school district.

3159- TEACHING STAFF MEMBER/SCHOOL DISTRICT REPORTING RESPONSIBILITIES

Section: Teaching Staff Members

Date Created: August, 2009

Date Edited: December, 2016

3159 TEACHING STAFF MEMBER/SCHOOL DISTRICT REPORTING RESPONSIBILITIES

All certificate holders shall report their arrest or indictment for any crime or offense to the Superintendent of Schools within fourteen calendar days of the arrest or indictment in accordance with the provisions of N.J.A.C. 6A:9B-4.3. For purposes of this policy, "certificate holders" shall include all individuals who hold certificates, credentials, certificates of eligibility (CEs), and certificates of eligibility with advance standing (CEASs) issued by the State Board of Examiners. For purposes of this Policy, the term "certificate" shall include all standard, emergency and provisional certificates, all credentials, and all CEAs and CEASs issued by the State Board of Examiners.

The report submitted to the Superintendent shall include the date of arrest or indictment and charge(s) lodged against the certificate holder. Such certificate holders shall also report to the Superintendent the disposition of any charges within seven calendar days of the disposition. Failure to comply with these reporting requirements may be deemed "just cause" for revocation or suspension of certification pursuant to N.J.A.C. 6A:9B-4.4. The school district shall make these reporting requirements known to all new employees upon initial employment and to all employees on an annual basis.

The Superintendent of Schools shall notify the New Jersey State Board of Examiners when:

1. Tenured teaching staff members who are accused of criminal offenses or unbecoming conduct resign or retire from their positions;
2. Non-tenured teaching staff members, including substitute teachers, who are accused of criminal offenses or unbecoming conduct resign, retire, or are removed from their positions;
3. A certificate holder fails to maintain any license, certificate, or authorization that is mandated pursuant to N.J.A.C. 6A:9B for the holder to serve in a position;

4. The Superintendent of Schools becomes aware that a certificate holder has been convicted of a crime or criminal offense while in the district's employ; or
5. The Superintendent has received a report from Department of Children and Families substantiating allegations of abuse or neglect, or establishing "concerns" regarding a certificated teaching staff member.

In the event the New Jersey State Board of Examiners issues an order to show cause based on the information that the school district provided about the certificate holder, it shall be the responsibility of the school district to cooperate with the Board of Examiners in any proceeding arising from the order to show cause.

The Superintendent of Schools shall also notify the New Jersey State Board of Examiners, in accordance with the provisions of N.J.S.A. 18A:16-1.3, whenever a non-tenured, certificated employee is dismissed prior to the end of the school year for just cause as a result of misconduct in office. This notification requirement shall not apply in instances where the employee's contract is not renewed. The Superintendent of Schools will comply with the additional notice requirements to the New Jersey State Board of Examiners in the event it is subsequently determined by a disciplinary grievance arbitration, a court, or an administrative tribunal of competent jurisdiction that the basis for the dismissal did not constitute misconduct in office. In addition, whenever the Superintendent of Schools notifies the New Jersey State Board of Examiners of an employee's dismissal for reasons of misconduct in accordance with the provisions of N.J.S.A. 18A:16-1.3, the employee shall receive a simultaneous copy of the notifying correspondence.

3211. CODE OF ETHICS

Date Created: August, 2015

Date Edited: August, 2015

3211- CODE OF ETHICS

3211 CODE OF ETHICS

The Board of Education endorses the code of ethics for professional educators published by the National Education Association.

Preamble

The educator, believing in the worth and dignity of each human being, recognizes the supreme importance of the pursuit of truth, devotion to excellence, and the nature of democratic principles. Essential to these goals is the protection of freedom to learn and to teach and the guarantee of equal educational opportunity for all. The educator accepts the responsibility to adhere to the highest ethical standards.

The educator recognizes the magnitude of the responsibility inherent in the teaching process. The desire for the respect and confidence of one's colleagues, of students, of parent(s) or legal guardian(s), and of the members of the community provides the incentive to attain and maintain the highest possible degree of ethical conduct. The Code of Ethics of the Education Profession indicates the aspiration of all educators and provides standards by which to judge conduct.

The remedies specified by the NEA and/or its affiliates for the violation of any provision of this Code shall be exclusive and no such provision shall be enforceable in any form other than one specifically designated by the NEA or its affiliates.

Principle I -- Commitment to the Student

The educator strives to help each student realize his/her potential as a worthy and effective member of society. The educator therefore works to stimulate the spirit of inquiry, the acquisition of knowledge and understanding, and the thoughtful formulation of worthy goals.

In fulfillment of the obligation to the student, the educator--

1. Shall not unreasonably restrain the student from independent action in the pursuit of learning.
2. Shall not unreasonably deny the student access to varying points of view.
3. Shall not deliberately suppress or distort subject matter relevant to the student's progress.
4. Shall make reasonable effort to protect the student from conditions harmful to learning or to health and safety.
5. Shall not intentionally expose the student to embarrassment or disparagement.

6. Shall not on the basis of race, color, creed, sex, national origin, marital status, political or religious beliefs, family, social or cultural background, or sexual orientation, unfairly--
 - a. Exclude any student from participation in any program
 - b. Deny benefits to any student
 - c. Grant any advantage to any student
7. Shall not use professional relationships with students for private advantage.
8. Shall not disclose information about students obtained in the course of professional service, unless disclosure serves a compelling professional purpose or is required by law.

Principle II -- Commitment to the Profession

The education profession is vested by the public with a trust and responsibility requiring the highest ideals of professional service.

In the belief that the quality of the services of the education profession directly influences the nation and its citizens, the educator shall exert every effort to raise professional standards to promote a climate that encourages the exercise of professional judgment, to achieve conditions which attract persons worthy of the trust to careers in education, and to assist in preventing the practice of the profession by unqualified persons.

In fulfillment of the obligation to the profession, the educator--

1. Shall not in an application for a professional position deliberately make a false statement or fail to disclose a material fact related to competency and qualifications.
2. Shall not misrepresent his/her professional qualifications.
3. Shall not assist entry into the profession of a person known to be unqualified in respect to character, education, or other relevant attribute.
4. Shall not knowingly make a false statement concerning the qualifications of a candidate for a professional position.
5. Shall not assist a non educator in the unauthorized practice of teaching.
6. Shall not disclose information about colleagues obtained in the course of professional service unless disclosure serves a compelling professional purpose or is required by law.
7. Shall not knowingly make false or malicious statements about a colleague.
8. Shall not accept any gratuity, gift, or favor that might impair or appear to influence professional decisions or actions.

3281. INAPPROPRIATE STAFF CONDUCT

Date Created: January, 2014

Date Edited: January, 2014

3281- INAPPROPRIATE STAFF CONDUCT

3281 INAPPROPRIATE STAFF CONDUCT

The Board of Education recognizes its responsibility to protect the health, safety and welfare of all pupils within this school district. Furthermore, the Board recognizes there exists a professional responsibility for all school staff to protect a pupil's health, safety and welfare. The Board strongly believes that school staff members have the public's trust and confidence to protect the well-being of all pupils attending the school district.

In support of this Board's strong commitment to the public's trust and confidence of school staff, the Board of Education holds all school staff to the highest level of professional responsibility in their conduct with all pupils. Inappropriate conduct and conduct unbecoming a school staff member will not be tolerated in this school district.

The Board recognizes and appreciates the staff-pupil professional relationship that exists in a school district's educational environment. This Policy has been developed and adopted by this Board to provide guidance and direction to avoid actual and/or the appearance of inappropriate staff conduct and conduct unbecoming a school staff member toward pupils.

School staff's conduct in completing their professional responsibilities shall be appropriate at all times. School staff shall not make inappropriate comments to pupils or about pupils and shall not engage in inappropriate language or expression in the presence of pupils. School staff shall not engage in inappropriate conduct toward or with pupils. School staff shall not engage or seek to be in the presence of a pupil beyond the staff member's professional responsibilities. School staff shall not provide transportation to a pupil in their private vehicle or permit a pupil into their private vehicle unless there is an emergency or a special circumstance that has been approved in advance by the Building Principal/immediate supervisor and the parent/legal guardian.

Inappropriate conduct by a school staff member outside their professional responsibilities may be considered conduct unbecoming a staff member. Therefore, school staff members are advised to be concerned with such conduct which may include, but is not limited to, communications and/or publications using e-mails, text-messaging, social networking sites, or any other medium that is directed and/or available to pupils or for public display.

A school staff member is always expected to maintain a professional relationship with pupils and to protect the health, safety and welfare of school pupils. A staff member's conduct will be held to the professional standards established by the New Jersey State Board of Education and the New Jersey Commissioner of Education. Inappropriate conduct or conduct unbecoming a staff member may also include conduct not specifically listed in this Policy, but conduct determined by the New Jersey State Board of Education, the New Jersey Commissioner of Education, an arbitration process, and/or appropriate courts to be inappropriate or conduct unbecoming a school staff member.

School personnel, compensated and uncompensated (volunteers), are required to report to their immediate supervisor or Building Principal any possible violations of this Policy. In the event the report alleges conduct by the Building Principal or the immediate supervisor, the school staff member may report directly to the Superintendent of Schools. In addition, school personnel having reasonable cause to believe a pupil has been subjected to child abuse or neglect or acts of child abuse or neglect as defined under N.J.S.A. 9:6-8.10 are required to immediately report to the New Jersey Department of Children and Families in accordance with N.J.A.C. 6A:16-11.1 and inform the Building Principal or immediate supervisor after making such report. However, notice to the Building Principal or designee need not be given when the school staff member believes such notice would likely endanger the referrer or child(ren) involved or when the staff member believes that such disclosure would likely result in retaliation against the child or in discrimination against the referrer with respect to his/her employment.

Reports may be made in writing or with verbal notification and a follow up report in writing. The immediate supervisor or Building Principal will notify the Superintendent of Schools of all reports, including anonymous reports. The Principal or designee will investigate all reports with a final report to the Superintendent of Schools. The Principal or designee or the Superintendent may, at any time after receiving a report, take such appropriate action as necessary and as provided for in the law. This may include, but is not limited to, notifying law enforcement, notifying the New Jersey Department of Children and Families in accordance with N.J.A.C. 6A:16-11.1, and/or any other measure provided for in the law.

This Policy will be distributed to all school staff and provided to staff members at any time upon request.

3282. USE OF SOCIAL NETWORKING SITES

Date Created: August, 2012

Date Edited: December, 2016

3282- USE OF SOCIAL NETWORKING SITES

3282 USE OF SOCIAL NETWORKING SITES

The Board of Education has a strong commitment to quality education and the well-being of all pupils, as well as the preservation of the school district's reputation. The Board believes staff members must establish and maintain public trust and confidence and be committed to protecting all pupils attending the school district. In support of the Board's strong commitment to the public's trust and confidence, the Board holds all staff members to the highest level of professional responsibility.

The Commissioner of Education has determined inappropriate conduct outside a staff member's professional responsibilities may determine them as unfit to discharge the duties and functions of their position. Staff members should be advised communications, publications, photographs, and other information appearing on social networking sites deemed inappropriate by the Board could be cause for dismissal of a non-tenured staff member or to certify tenure charges against a tenured staff member to the Commissioner of Education.

Staff members are advised to be concerned and aware such conduct deemed inappropriate may include, but is not limited to, communications and/or publications using e-mails, text-messaging, social networking sites, or any other form of electronic communication that is directed and/or available to pupils or for public display or publication.

While the Board respects the right of staff members to use social networking sites, staff members should recognize they are held to a higher standard than the general public with regard to standards of conduct and ethics. It is important that a staff member's use of these sites does not damage the reputation of the school district, employees, pupils, or their families. Staff members who utilize, post or publish images, photographs, or comments on social networking sites, blogs, or other forms of electronic communication outside their professional responsibilities shall ensure their use, postings, or publications are done with an appropriate level of professionalism and are appropriate conduct for a school staff member. Staff members should exercise care in setting appropriate boundaries between their personal and public online behavior, understanding that what is private in the digital world often has the possibility of becoming public even without their knowledge or consent.

The school district strongly encourages all staff members to carefully review the privacy settings on social networking sites they use and exercise care and good judgment when posting content and information on such sites. Staff members should adhere to the following guidelines, which are consistent with the district's workplace standards on harassment, pupil relationships, conduct, professional communication, and confidentiality.

When using personal social networking sites, school staff members:

1. Should not make statements that would violate any of the district's policies, including its policies concerning discrimination or harassment;

2. Must uphold the district's value of respect for the individual and avoid making defamatory statements about the school district, employees, pupils, or their families;
3. May not disclose any confidential information about the school district or confidential information obtained during the course of his/her employment, about any individual(s) or organization, including pupils and/or their families;
4. Shall not use social networking sites to post any materials of a sexually graphic nature;
5. Shall not use social networking sites to post any materials which promote violence;
6. Shall not use social networking sites which would be detrimental to the mission and function of the district;
7. Are prohibited from using their school district title as well as adding references to the district in any correspondence including, but not limited to, e-mails, postings, blogs, and social networking sites unless the communication is of an official nature and is serving the mission of the district. This prohibition also includes signature lines and personal e-mail accounts;
8. Shall not post updates to their status on any social networking sites during teaching periods or other assigned times including posting of statements or comments on the social networking sites of others during school time unless it involves a school project. However, teaching staff may post updates to their status on social media sites during their duty free lunch or break periods; and
9. Shall not post or publish any information the Commissioner of Education would deem to be inappropriate conduct by a school staff member.

The Policy of this district is to maintain a level of professionalism both during and after the school day. Any publication through any means of electronic communication which is potentially adverse to the operation, morale, or efficiency of the district, will be deemed a violation of this Policy. If the Board or Superintendent believes that a staff member's activity on any social networking site violates the district's policies, the Board or Superintendent may request that the employee cease such activity. Depending on the severity of the incident, the staff member may be subject to disciplinary action.

This Policy has been developed and adopted by this Board to provide guidance and direction to staff members on how to avoid actual and/or the appearance of inappropriate conduct toward pupils and/or the community while using social networking sites.

Date Created: August, 2014

Date Edited: August, 2014

3283- Electronic Communications between Teaching Staff Members and Students (M)

M**3283 ELECTRONIC COMMUNICATIONS BETWEEN TEACHING STAFF MEMBERS AND STUDENTS**

The Board of Education recognizes electronic communications and the use of social media outlets create new options for extending and enhancing the educational program of the school district. Electronic communications and the use of social media can help students and teaching staff members communicate regarding: questions during non-school hours regarding homework or other assignments; scheduling issues for school-related co-curricular and interscholastic athletic activities; school work to be completed during a student's extended absence; distance learning opportunities; and other professional communications that can enhance teaching and learning opportunities between teaching staff members and students. However, the Board of Education recognizes teaching staff members can be vulnerable in electronic communications with students.

In accordance with the provisions of N.J.S.A. 18A:36-40, the Board of Education adopts this Policy to provide guidance and direction to teaching staff members to prevent improper electronic communications between teaching staff members and students.

The Commissioner of Education and arbitrators, appointed by the Commissioner, have determined inappropriate conduct may determine a teaching staff member unfit to discharge the duties and functions of their position. Improper electronic communications by teaching staff members may be determined to be inappropriate conduct.
