Attention Ocean Township Parents of Preschool Age Children

PRESCHOOL LOTTERY

The Ocean Township Public School District is pleased to announce the fourteenth year of our Preschool Program beginning September 2019. Special needs and nondisabled preschoolers will come together in an integrated environment. Research has shown that all students benefit from this type of program.

To qualify: A child must be three (3) years old by October 15, 2019 and be at age level on a preschool readiness screening administered by the District.

Preschool sessions will be held five days per week for 2 ½ hours per day by a fully-certified preschool teacher. The **Am Session** is 8:50 AM – 11:20 AM, **PM Session** is 12:40 PM – 3:10 PM. **Parents will be responsible for all transportation** of the nondisabled preschool students. **There will be a tuition charge of \$2500 for nondisabled preschool students.** Absences exceeding 20 days will result in your child being dropped from the program.

SPOTS ARE LIMITED! The program will be offered to 3-year-old children and 4-year-old children who score at age level in pre-academic, language, and motor skills on the Preschool Readiness Screening conducted by the District. The first 3-year-olds who qualify for the limited spots in the order that they were screened will be offered enrollment in the 3-year-old morning program at the Wanamassa Elementary School or Wayside Elementary School. The first 4-year-old children who qualify for the limited spots will be offered enrollment in the afternoon 4-year-old program at the Wanamassa Elementary School or the Wayside Elementary School. The remaining children will be placed on a waiting list.

Applications and additional information will be available on our district website www.oceanschools.org at the end of February.
