Township of Ocean Gifted and Talented Program

2021/2022 and Beyond

Grades K-4

Description of Services

In grades K-4 students receive gifted and talented services ranging from exposure to targeted instruction. All students receive exposure in the form of push-in instruction with the Gifted and Talented teacher. Push-in instruction focuses on building logic, reasoning, and critical thinking skills. Classroom teachers provide additional opportunities for enrichment instruction through small-group and other differentiated learning blocks. Students are also eligible for enrichment workshops based on teacher recommendations. Each workshop focuses on a specific skill - writing, engineering/design, and critical thinking. Students identified by the G&T evaluation criteria receive intensive supplemental instruction through project-based learning.

Grades 5-8

Description of Services

Gifted and Talented Services at the Township of Ocean Intermediate School are offered as an elective for qualified students and focuses on project based instruction. Students in grade 5 pull out of their general education classes 2-3 times a week and integrate into the block schedule of grades 6-8. G&T is offered as a year-long elective for grades 6-8. In grades 7-8, students have an opportunity to take honors level courses.

Entrance Criteria

*The top 7-8% (state average is 7.4%) of ranked students will be admitted into the gifted and talented program. Percentile ranking will be compared to the district grade-level population. The leveling criteria for honors courses at the Township of Ocean Intermediate School can be found on the district website [HERE](#).

Alternate Pathway Option:

Any teacher (including ELL, SE, Interventionist, Instructional Coach, or other), guidance counselor, school administrator, and/or parent may request further evaluation of any student who does not meet Level 1 Entrance Criteria. These requests should be made to the Supervisor of Elementary Math, Science, and Gifted and Talented.

Grades 9-12

Description of Services

Gifted and Talented services in grades 9-12 are offered through five credit honors and advanced placement courses. These courses provide acceleration, compacted curriculum, and challenge students' abilities.

Entrance Criteria

Students are recommended into these courses by their previous year teacher. Any student not recommended for placement in these levels may request an leveling appeal. Most students will either be granted entrance in the program or agree to rescind their appeal request. The Ocean Township High School promotes a philosophy of access for all students. Any student seeking access to an honors or advanced placement course should begin that request with their guidance counselor.
