1.5.12adv.Re7a: Analyze how responses to art develop over time based on knowledge of and experience with art and life.

1.5.12adv.Re9a: Construct evaluations of a work of art or collection of works based on differing sets of criteria.

### Learning Activities & Key Concepts and Skills

Each unit will encompass a variety of learning activities that vary to meet lesson objectives and standards addressed.

- Engage in artist/teacher-directed and self-directed identification and exploration of media skills and techniques to accomplish a variety of 2D design solutions.
- Develop the appearance of 3D structures and settings on 2D surfaces through effective use of spatial devices such as: value and shading, one and two-point linear perspective, atmospheric perspective, size and vertical location, and overlapping.
- Employ color schemes (e.g. Complementary, Analogous, Monochromatic, Triadic, etc.) to convey symbolic, emotional, thematic, and/or spatial significance in a work of art.
- Discussion of exemplar artworks in terms of: meaning, subject matter, cultural connections, functions/purpose, perceived meaning and symbolism.
- Viewing activities with corresponding guided, open reflection and responding activities.
- Students will develop clear, imaginative and coherent artistic intention, demonstrate a range and depth of creative-thinking behaviors, demonstrate the exploration of ideas to shape artistic intent through to a point of realization.
- Students will use mixed media, techniques, and processes to understand and apply visual elements and principles.
- Students will utilize a variety of online research tools and resources to inform their process.
- Students will respond to works of art through analysis and interpretation.
- Students will continuously examine, assess, and improve work.

### Assessments

- Artmaking final product assessed with rubric
- Final critique
- Physical and digital portfolio: Culminating assessment of final physical/digital portfolio of unit requirements are conducted at the end of a unit to determine degree of mastery or proficiency according to identified achievement target.

### **Benchmark:**

- Students will create a presentation of their prior art experience and goals as an artist
- Written Critique assessment

### **Alternative:**

- Selected response Activity sheets
- Alternative: In-process research and idea development
- Visual journal experiments and skill-building technique samples

## Career Education

CRP2. Apply appropriate academic and technical skills.  
CRP4. Communicate clearly and effectively and with reason.  
CRP12. Work productively in teams while using cultural global competence.

## Career Readiness, Life Literacies, and Key Skills

9.3.12.AR-VIS.2 Analyze how the application of visual arts elements and principles of design communicate and express ideas.  
9.4.12.CI.1: Demonstrate the ability to reflect, analyze, and use creative skills and ideas (e.g., 1.1.12.prof.CR3a).  
9.3.12.AR-VIS.3 Analyze and create two and three-dimensional visual art forms using various media.

## Interdisciplinary Connections

Written critique and reflection:

- LA.9-10.W.9-10.10 Write routinely over extended time frames (time for research, reflection, and revision) and shorter time frames (a single sitting or a day or two) for a range of tasks, purposes, and audiences.

### Technology Integration

Students will select and evaluate the media platform which best suits their project needs.

- 9.4.12.IML.2: Evaluate digital sources for timeliness, accuracy, perspective, credibility of the source, and relevance of information, in media, data, or other resources.

Students will use Google Classroom to collaborate, work towards solving authentic problems, or participate in an online classroom discussion utilizing pre-learned etiquette about blended learning platforms.

9.4.12.TL.4: Collaborate in online learning communities or social networks or virtual worlds to analyze and propose a resolution to a real-world problem.

Students will access and assess digital resources to conduct research and investigations which extend their knowledge.

### Modifications (ELL, Special Education, At-Risk Students, Gifted & Talented, & 504 Plans)

#### **ELL:**

- Work toward longer passages as skills in English increase
- Use visuals
- Introduce key vocabulary before lesson
- Teacher models reading aloud daily
- Provide peer tutoring
- Use of Bilingual Dictionary
- Guided notes and/or scaffold outline for written assignments
- Provide students with English Learner leveled readers.

#### **Supports for Students With IEPs:**

- Allow extra time to complete assignments or tests
- Guided notes and/or scaffold outline for written assignments
- Work in a small group
- Allow answers to be given orally or dictated
- Use large print books, Braille, or books on CD (digital text)
- Follow all IEP modifications

#### **At-Risk Students:**

- Guided notes and/or scaffold outline for written assignments
- Introduce key vocabulary before lesson
- Work in a small group
- Lesson taught again using a differentiated approach
- Allow answers to be given orally or dictated
- Use visuals / Anchor Charts
- Leveled texts according to ability

#### **Gifted and Talented:**

- Create an enhanced set of introductory activities (e.g. advance organizers, concept maps, concept puzzles)
- Provide options, alternatives and choices to differentiate and broaden the curriculum
- Organize and offer flexible small group learning activities
- Provide whole group enrichment explorations
