NEGOTIATIONS

MEMORANDUM OF UNDERSTANDING
BETWEEN
TOWNSHIP OF OCEAN BUS DRIVERS' ASSOCIATION
-AND-
TOWNSHIP OF OCEAN BOARD OF EDUCATION

The Township of Ocean Bus Drivers' Association (hereinafter referred to as the "Association") and the Township of Ocean Board of Education (hereinafter referred to as the "Board") have, on this 12th day of January, 2016, reached a tentative agreement regarding the following matters:

1. DURATION OF AGREEMENT: Change language to reflect a three year contract (July 1, 2015 – June 30, 2018).
2. ARTICLE 6 - DEFINITIONS: Page 10, **ADD**: J. All Hourly drivers will be compensated for field trips at their hourly rate.
3. ARTICLE 10 – SICK/PERSONAL LEAVE BANK PLAN (Non-work Related)
Page 15 **DELETE** existing language and **ADD** the following:

Pursuant to N.J.S.A. 18A:30-10, the Board of Education and the Association have the authority to establish a sick leave bank plan for employees of the Board who have exhausted or will exhaust his/her accumulated sick leave as a result of a prolonged absence from work due to illness or injury and would be in a non-pay status. In furtherance of its authority, the Parties establish the following guidelines for the Sick/Personal Leave Bank Plan ("Bank"):

1. Only an employee who has exhausted or will exhaust his/her accumulated sick and personal leave as a result of a prolonged absence caused by a catastrophic illness or injury will be given consideration for use of the Bank. As part of its review, the Bank Committee will take into account the frequency of intermittent use of sick days over the course of employment by the employee in question. All determinations made by the Committee regarding eligibility to use the Bank and/or the amount of days an employee is permitted to withdraw from the Bank

shall not be subject to the grievance procedure.

2. A bank of days which can be used for extending leave with pay will be established to which employees may donate sick and/or personal days to be used in the event that use of the Bank is authorized by the Committee. Use of Banked days must be for the employee's own personal illness.

3. An employee may contribute only one sick or one personal day to the bank of days. However, in a given case, the Committee may authorize and request that additional sick and/or personal days be donated.

4. The donation of sick and/or personal days by employees shall be made on a form developed by the Committee and distributed to employees at the following times:

Beginning of the year (Sept 1 – Sept 10)

Two weeks after the Board has granted extended leave to an employee
An employee with ten or more accumulated sick and/or personal days may donate to the sick/personal leave bank. All employee contributions shall be voluntary. Sick days from the annual allotment of ten (10) days may not be donated. Written notice must be given from the employee desiring to donate a minimum of one (1) day from accumulated sick and/or personal days during the above periods of time for a donation to be made. The contributed sick and/or personal days will be deducted from the employee's accumulated sick or personal leave totals, and shall not be refunded if unused by the end of the school year, instead remaining in the Bank until used.

5. An employee who is seeking additional paid leave from the Bank shall submit a written request therefore to the Superintendent of Schools, who will provide it to the Committee for decision pursuant to N.J.S.A. 18A:30-11. The request shall outline the nature of the medical problem, provide medical verification signed by a licensed physician and shall set forth the length of the leave requested. The Committee may require additional medical information and may require a medical evaluation by a physician of its own choice; such evaluation will be at the expense of the Board.

6. Each request for the use of Banked days shall be limited to a maximum of three months worth of days. Nothing shall prohibit an employee from making requests for additional days, if necessary.

7. The Committee will act on the request no later than the second regularly scheduled board meeting following receipt of the request.

8. The Committee shall receive a regular update on the status of the banked days, not less than every two months (excluding summer break.)

4. ARTICLE 14 – B (1)(2). Guides Increases: Salary increase inclusive of step for all employees in the Bus Driver unit, for an annual average amount of \$1,000 for the 15-16 year, \$1,050 for the 16-17 year, and \$1,100 for the 17-18 year. Guides will be mutually developed. ~~DELETE B(2) "and meetings as stated in article 17C."~~

5. ARTICLE 17 – C. Miscellaneous Provisions: **CHANGE: All Salaried drivers** may be required to attend professional meetings, but not more than twice a month to include all make up sessions **and on-line trainings**, unless an emergency exists as determined by the superintendent. Such meetings shall be scheduled for mid-day unless an emergency exists as determined by the superintendent. **Hourly drivers will be compensated for all meetings. Salaried Hourly drivers** are required to attend **the annual driver orientation and on-line mandated trainings** ~~four (4)~~ meetings without compensation, any meeting required beyond **these meetings** ~~four (4)~~ will be compensated. **No meeting will exceed two hours unless an emergency exists as determined by the superintendent.**

6. ARTICLE 17 – G. Miscellaneous Provisions:

RE: Spring Coaching Recommendations

Attached are my recommendations for spring coaching positions for the 2015-2016 school year.

I have also included a bulleted biography for the "new" coaching recommendation for the spring 2015-2016 school year.

The high school assistant softball positions do not have the exact level they will be coaching (i.e. freshman, JV, assistant varsity) but the candidates' names and stipends are correct. As soon as I establish the positions, I will send over again.
