ChromeBook Application

Student's Name _____
(Please Print)

Homeroom _____
Grade Level _____

Upon issuance, I accept the Chromebook for the duration of my enrollment as a Township of Ocean High School Student. I will be responsible for the Chromebook until graduation.

(initial)

- I take full responsibility for the care of this Chromebook and will return it in the same condition I received it. I realize that I am financially responsible for any damage or loss of this Chromebook. Replacement cost is \$279.
- I agree to abide by all district technology policies including the Acceptable Use Agreement which I have already signed. I realize that any violation of these policies may result in disciplinary action.

By signing this form, I understand that the Chromebook must be properly controlled, secured and accounted for at all times, and that I am solely responsible for making sure that it is safeguarded and maintained in a proper state of operation. I agree to abide by all software licensing and will not load any unauthorized software on said equipment. I also understand that I must return the property listed above when requested or prior to my last day of school as a student of the Township of Ocean School District. Failure to comply with the return of the district issued Chromebook will result in a debt to the district and therefore may compromise participation in end of year activities, including graduation.
